Matt attached is Lead Enforcement Agency Identification for the Andrew Johnson Enforcement Action over in Uinta County. I will be the lead on this action. I noticed when I signed the form that the Corps has not signed it yet. Please sign and shoot me back a copy. On another note, I am going to try and get out to Johnson site along with visiting the Uinta County Bridge Department violation that I have been working on with Paige, If we have funding it will be May 30th. You or any one from your staff are welcome to attend. Thanks for your work on these cases.
